The College is a sure go at Stanton, and if you want a lot to build a residence no. within a few hundred yards of the college building attend the sale of lots Saturday.

Joe Holman, of Vinton, was the guest of his uncle, H. G. Burgher, yesterday. Mr. Holman will have a sale of personal property Friday, Jan. 24th, and move to Missouri.

New Postal Ruling.

The postal department has issued a new ruling regarding the entrance of papers at the second class rate. The law explains itself as follows:

"A reasonable time will be allowed publishers to secure renewals of subscriptions, but unless subscriptions are expressly renewed after the term for which they are paid, within the following periods:

Dailies, within three months;
Tri-weeklies within six months;
Semi-weeklies, within nine months;

Weeklies, within one year;
Semi-monthlies, within three months,

Monthlies, within four months;
Bi-monthlies, within six months;

Quarterlies, within six months, they shall not be counted in the legitimate list of subscribers, and copies mailed on account thereof shall not be accepted for mailing at the second-class postage rate of one cent a pound, but may be mailed at the transient second-class postage rate of one cent for each four ounces or fraction thereof, prepared by stamps affixed. The right of a publisher to extend credit for subscriptions to his publication is not denied or questioned, but his compliance or not compliance with this regulation will be taken into consideration in determining whether the publication is entitled to transmission at the second-class postage rates."

The above means when applied to the Clay City Times that when we mail a single copy of the paper to persons who owe for more than one year it will cost us 1 cent the copy or 52 cents a year while we can only realize but 50 cents for the paper, of course this will be a losing proposition and we must stop. So beginning with next week we will absolutely cut off all papers where the subscriber owes us more than for one year. We are perfectly willing to trust our subscribers as formerly and regret that we can not but if we continue this practice the paper will have to stop. In the first place we can't pay the increased postage and in the second place, if we slip the papers through the mails unawares to the government, (but we would not think of doing such a thing,) our paper would be excluded the use of the mails at the present rate. We have subscribers on our list that we would trust for \$5,000 00 if we had it to loan, but the post-office department would allow us to trust them for 50 cents on the paper and if we do the government will stop our business in an indirect way.

Stanton.

You will see in this issue the sale of lots in Patrick's addition to Stanton which means much for that town. The coming town east of Lexington, Stanton, three years ago, had a population of about three hundred, three stores one blacksmith shop and a common graded school, but now his eight stores, bank, canning factory, and a High School of four

teachers, and not an empty house in its incorporate limits, and a population of about six hundred. In a short time work will begin on the Stanton College, a magnificent brick structure to cost \$20,000, this house to be built on ten acres of beautiful rolling land donated by J. C. Patrick for that purpose which land adjoins the lots to be sold on the east. And further east about one-fourth of a mile lies the Patrick Portland Cement in quantities untold which will be utilized in the near future. With these facts before you why not Stanton come to the front?

Remember the 11th day of January, come to the sale and buy you a lot and help boom the once finished old town into a modern little city

The L. & E. Railroad has put in a new pumping station here. The company has been getting their supply of water from Swann-Day Lumber Company's pump but as this will soon be closed down the railroad company was of necessity compelled to put in a pump of their own.

If you want this paper, you must pay up your subscription, the postal laws positively prohibit it us from sending it longer than time enough to get renewals. Its a new law and one we don't like but we have to abide by it nevertheless.

The Powell County Deposit Bank has a condensed statement in this issue. It is a splendid showing for so young an institution. This bank and its wide-awake cashier, Mr. E. H. Fuller, are largely instrumental in the present development of the Powell county seat. This report shows the bank to be not only a most paying proposition but to be in a splendid financial condition.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Make It Yourself.

There is so much Rheumatism here in our neighborhood now that the following advice by an eminent authority, who writes for readers of a large Eastern daily paper, will be highly appreciated by those who suffer:

Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces of Compound Syrup Sarsaparilla. Shake these well in a bottle and take in teaspoonful doses after each meal and at bedtime; also drink plenty of good water.

It is claimed that there are few victims of this dread and torturous disease who will fail to find ready relief in this simple home-made mixture, and in most cases a permanent cure is the result.

This simple recipe is said to strengthen and cleanse the eliminative tissues of the Kidneys so that they can filter and strain from the blood and system the poisons, acids and waste matter, which cause not only Rheumatism, but numerous other diseases. Every man or woman here who feels that their kidneys are not healthy and active, or who suffers from any urinary trouble whatever, should not hesitate to make up this mixture, as it is certain to do much good, and may save you from much misery and suffering after while.

Our home druggists say they will either supply the ingredients or mix the prescription ready to take if our readers ask them.

If you are out of work, or have spare time, you should get our proposition. No mail order scheme, but a clean straight business, at which others are making money, with no competition. The first acceptable applicant gets your territory. Write today tomorrow may be too late. Particulars free. Dominocards Co., 1807 Chouteau, St. Louis, Mo.

AN ALL HOME-MADE PAPER.

THURSDAY, Jan. 9, 1908.

LOCAL BREVITIES.

A. G. Powell, of Knowlton, was in the city yesterday.

Mrs. C. W. Campbell continues very ill with heart trouble.

Several from here attended County Court at Stanton Monday.

Don't forget the public sale of town lots at Stanton January 11th.

Taulbee Mountz has taken a position with Trimble Bros. as traveling salesman.

Miss Carrie Barnett, who has been in poor health for some time, has been some worse the past few days.

There has been so much fresh meat peddled in the city the past several weeks that the local butcher's business is about paralyzed.

Misses Boone at Stanton bought the hotel property of their father, Thos. Boone, at public sale at Stanton Monday paying \$2,300 for same.

C. W. Barnett has rented a farm of 300 acres two miles from Winchester. His son, Bert, Barnett, will move to this farm and manage it.

The County Board of Supervisors are in session this week and looking after the raise of property for us. T. B. Ware and John Ringo are serving from this end of the county.

The petition calling for a local option election in Powell county Feb. 26 was recognized by the County court Monday and the election called for above date. A lively campaign is anticipated by both sides. The Times has all along favored local option, and is still strong in the faith.

Miss Lizzie Elkin, of Sams, is visiting her sister, Mrs. J. E. Niblack.

Desirable town lots in Patrick addition Stanton at Public auction January 11th. These lots adjoin the new college grounds.

The Rev. E. L. Southgate, Presiding Elder of this district conducted Quarterly meeting at the Methodist church here Monday and Tuesday.

Robert Niblack will have a public sale of all his personal property at his place Wednesday, January 22. Mr. Niblack will locate in Illinois.

Back from Florida.

J. B. Eaton, Miss Mary Graham Eaton and John have returned from Clearwater, Fla. where they together with Mrs. Eaton went to spend the winter. Mr. Eaton was called home on account of business matters. Mrs. Eaton will remain until spring.

New Advertiser.

See new advertisement of M. Rose in this issue. The firm has been in business here for several years and has always proven to be worthy of public patronage. You will find here some excellent values for the money you spend. Call and see for yourself.

A Higher Health Level.

"I have reached a higher health level since I began using Dr. King's New Life Pills," writes Jacob Springer, of West Franklin, Maine. "They keep my stomach, liver and bowels working just right." If these pills disappoint you on trial, money will be refunded at Swann-Day Lbr. Co's store. 25c.

Planting Closed Down.

Swann-Day's big planing mill has closed down at this place and several men are thrown out of employment. The plant, from what we can learn, will be moved from this place to Lexington or Cincinnati this Spring. The prime reason for the company taking this step is considered to be on the account of the increased freight rate on lumber which went into effect last August.

PISO'S CURE

Consumptive Coughs

are the forerunners of dread consumption, yet they can be broken up and entirely cured if properly treated. It is only by treating the cause of the disorder that an absolute cure can be effected. PISO'S CURE goes to the root of the trouble and restores the lungs to a normal condition. It is a safe and effective remedy.

It Does the Business.

Mr. E. E. Chamberlain, of Clinton, Maine, says of Bucklen's Arnica Salve. "It does the business; I have used it for piles and it cured them. Used it for chapped hands and it cured them. Applied it to an old sore and it healed it without leaving a scar behind." 25c. at Swann-Day Lbr. Co's store.

Died Dec. 30, 1907, Iva, daughter of O. W. and T. L. Easter. Deceased was 1 year nine months and 5 days old. Burial at Powell's Valley Jan. 1st. Funeral services conducted by Eld. R. A. Irvin in the presence of a large congregation. Iva was a bright girl of her age, and while it is with sorrow we have to part with our loved ones, yet our loss is heaven's gain. Her grandpa.

Rank Foolishness.

"When attacked by a cough or a cold, or when your throat is sore, it is rank foolishness to take any other medicine than Dr. King's New Discovery," says C. O. Eldridge, Empire, Ga. "I have used New Discovery seven years and I know it is the best remedy on earth for coughs and colds, croup, and all throat and lung troubles. My children are subject to croup, but New Discovery quickly cures every attack." Know the world over as the King of throat and lung remedies. Sold under guarantee at Swann-Day Lumber Co's store. 50c. and \$1.00. Trial bottle free.

Must Have Been From Powell.

A gentleman, who moved here from the mountains several years ago and is now a resident of the county, stepped into one of our business houses the other day, made a small purchase and asked the proprietor to cash a check as he had no change with him. "Certainly," said the business man as he picked up the check. He glanced at the check, opened the cash register, looked at the check again and then handed it back with the remark, "I haven't taken in that much this morning." The amount of the check was fourteen thousand, four hundred dollars.—Winchester Democrat.

A Cure for Misery.

"I have found a cure for the misery malaria poison produces," says R. M. James, of Lonellen, S. C. It's called Electric Bitters, and comes in 50 cent bottles. It breaks up a case of chills or a bilious attack in almost no time; and it puts yellow jaundice clean out of commission." This great tonic medicine and blood purifier gives quick relief in all stomach, liver and kidney complaints and the misery of lame back. Sold under guarantee at Swann-Day Lumber Co's store.

Nothing better for a New Year present than the Clay City Times one year.

Our Business Principles:

We are not in the business alone to make and hoard money, but to please and accommodate our customers.

We keep Postage Stamps for their convenience and accommodation.

We keep a City Directory, so important to all, for their accommodation and information.

We keep a Telephone, and its patrons are treated with courtesy and attention.

We gladly make change when it is possible to do so.

Our Big Clock is made conspicuous for the benefit of our customers. It is electric regulated and always correct.

We politely answer all reasonable questions, and give the fullest information possible.

The hospitality and comforts of our store are generously offered to persons waiting upon the corner in hot, cold or inclement weather.

It is a pleasure for us to accommodate our customers in every reasonable way, and when we fail to do so, kindly let us know.

AMBRIDGE

The Cambridge Reversible Sulky Plow is the highest type of plow of the twentieth century—constructed on correct scientific and mechanical principles. It is the result of a constant endeavor to produce a perfect riding plow, and has 62 years experience in plow making back of it. The demand of the times has been for a better riding plow—the Cambridge meets that demand and only needs to be tried to convince the farmer that it is the superior of any riding plow ever before produced. It will do splendid work equally well on level land or on the hillsides will leave the soil smooth and free of ridges and dead furrows; works with the same work—easy on man and team. It is made in two sizes and from the best malleable steel and high grade steel; improved and extra heavy steel wheels with dust cap and removable chilled boxes. Easy to manage, always under perfect control.

SUCCESSFULLY OPERATED BY ANYONE WHO CAN DRIVE A TEAM

You'll want to know all about the Cambridge before you buy a new plow. Write today for special circular describing its construction and working points. We'll send it free. Also complete catalog of "The Lovejoy Line" of Farm Tools that will interest you. If we have no dealer in your town, we want to make you a special Price Offer that will save you some money.
